Les Rendez-vous de la Francophonie

Les rendez-vous de la francophonie— Schools taking advantage of our programs this year were: Bloomfield, Spring Park, Glen Stewart, Queen Elizabeth Elementary, Kinkora, KISH, Amherst Cove, SIS, Bluefield, and Sherwood School. Together hundreds of students watched National Film Board or other films with free popcorn and drinks, some had Acadian dress like day, some had contests, some had cafés, some received "French Hershey Kisses" but all had a great time and learned a bit more French culture and vocabulary! Thank you to all participating schools!

My Encounters with Canada Week—

Jessica Howard, French Student Excellence Award winner

There are so many words that describe my week at Encounters with Canada but the one that stands out is "unforgettable".

During the week of February 21st-27th I attended the Law and Our Justice System themed week. I got to visit many breathtaking sights and historical landmarks and also got the pleasure of listening to many inspirational speakers during our time at the center.

During this week I learned great things about how our country works and about some of the people who made huge footprints in Canada's history. I also met many great people during my stay at the Terry Fox Canadian Youth Center. I now have new amazing

challenge to take the one in my second language. Being bilingual also made the experience more open. Being able to understand both French and English made the language barrier between myself and other participants disappear. During this trip I became even more thankful for my bilingualism.

Thank you CPF so much for this amazing opportunity! (In the picture with Jessica is Abby Craswell another award winner from PEI)

"This initiative is funded in part by the CPF National Mary Joyce Booth Endowment provided by independent CPF donors, and in part by a Department of Canadian Heritage contribution to this CPF Branch."

friends that I will never forget as well as met many great staff members and volunteers who put their time and effort into making the week both fun and memorable for the participants. I made friends from provinces all across Canada who were both French and English and it is a sure fact that I will never forget them and always be thankful for having them to spend my week in Ottawa with.
