# Learn and play “en français” summer camp

Teachers say that they can tell the difference between students who have had an opportunity to go to French summer camp or have a similar experience and those that have not had this kind of experience. Students are more engaged and are more willing to speak in French after they have participated in camps.

**UPEI PANTHERS**  **UNIVERSITY of Prince Edward ISLAND** **CPF** *Canadian Parents for French* Prince Edward Island

for students in Kindergarten to Grade 6 French Immersion and French Language programs who want to enjoy the summer having fun and learning in a completely French environment. UPEI has carefully selected their team of language teachers for these camps. They are all bilingual and qualified to teach French, graduates of the Bed French Immersion Baccalaureate Program at UPEI. Days are specially tailored so that children stay highly motivated while enjoying their summer program.

The day programs will be designed keeping in mind at all times that this is a Summer Camp. In other words, classes are conceived to be sufficiently interesting and entertaining to motivate students to the fullest, while simultaneously optimizing the time by encouraging conversation and discussion.

Our aim is for students to enjoy themselves while learning as much as possible in a short period of time. Camp registration at Panther Academy <http://www.upei.ca/ar/registration-information>.

This is a partnership program between UPEI Panther Academy, CPFPEI and the UPEI Bed FI Baccalaureate Program. **Apprendre et jouer en français! Camp(s) d'été 2015**
