Why is it needed?

How much is too much

How can I help?

What if I don't understand the homework (math? French?)

These and more questions will be answered...

A presentation about how homework fits into family life will be held on

\_\_\_\_\_ at :00 pm in \_\_\_\_\_, presented by

The session is about 60-70 minutes long. Please mark the date

on your calendars. You will get lots of tips on helping with homework and being a French
