Core French Teachers:

Dear teacher,

Canadian Parents for French presents **Salut!** This program is designed to welcome students into the Core French program and recognize Linguistic Duality Day (Sept 11).

In this envelope you will find a book mark for each student. We ask that you distribute these to your students. As well, if you choose, you can use the word search template for an activity.

To participate in the word search “contest”, have the students complete the word search and find the hidden phrase. You may then choose a prize recipient (we suggest at random). Fax us the “winning” word search (one per classroom) and we will send a prize to the student in care of you at the school. We will hang the winning word searches in our hallway at the office for a period of time. If you don’t want to participate in the contest then just have fun doing the word search and perhaps discuss the benefits of being bilingual. Please hang the word searches in your classroom or hallways for visibility for your French program. Fax: 902-628-8062

For more information or prizes, call Gail at 368-3703 or email at glecky@cpfpei.pe.ca or cpf@edu.pe.ca on GroupWise. Thank you, we hope you enjoy participating in the project.

Sincerely,

Gail Lecky
